MEMORANDUM FOR THE RECORD

SUBJECT: Entertainment of Government Employees

25X1A

I understand that the [REDACTED] case is settled. This was the case of the WH Case Officer who entertained a [REDACTED] employee for two weeks at a cost of about \$315. Tom K told me this morning that he had negotiated a settlement with Mr. Kirkpatrick. [REDACTED] refunded about \$80, representing the cost of the meals for himself and his wife. He was paid the difference, which was largely milage for his car and meals for the visitor. [REDACTED] is checking to be certain there are no loose ends. Case closed.
